MAYOR KINNEY TO LEAVE TOWN, COUNCIL

Around the Square

It may come as a surprise to some, but the Scrap Metal Pile is not a help-yourself source of free household articles. The items were placed there by conscientious citizens who want to help avert a nation-wide shortage of critical defense metals.

Several persons have been seen "rummaging about" and cutting off the choice tidbits—just as if the pile were a buffet table. While most of this thievery—and that's what it's called, folks—is done under the cover of night, with flashlights, one man was seen blatantly loading up a truck with a stove and other semi-valuable pieces in daylight.

It should be too obvious to even mention that just because it is called a scrap pile, that does not mean the donated metal there is free for the taking.

If you see this sort of activity going on, call the police.

While we're in the "scolding" vein, we might as well take a blast at the vandals. Quite a few cases of hoodlumism are reported here every week—and the weekly average is mounting, not decreasing.

If you are a parent, try to determine if it is even remotely possible that your "little angel" might be one of the wrongdoers. If he is, your next steps should be swift, and drastic. If you are an "injured party"—that is, if your property has been damaged by vandals—give the police an accurate description of the damage and, if possible, the suspects.

This is Brotherhood Week (Feb. 17 to 24), and the observance should mean more to Americans this year than ever before. Paul G. Hoffman, director of the Ford Foundation, forcefully drives home the importance of the week with these words:

"Such phrases as 'human dignity,' 'equality of opportunity,' and 'brotherhood of man' have a resounding ring when we fling them over the footlights of our shores; but the world is waiting skeptically to see whether we perform as well as we speak."

The School Board hustled in with an answer to our question of last week regarding public school holidays. We're happy to say that there was a sound

Sierra Madre churches will mark this Sunday—Feb. 24—as Red Cross Sunday, according to an announcement by Col. Charles E. Morrison, Fund Drive chairman for the local Red Cross Chapter. The campaign opens March 1.

Ministers and priests will remind their congregations of "one of their most cooperative community enterprises," Colonel

City Gets Only Two Rubbish Bids

Only two contractors offered bids for Sierra Madre's contract covering collection and disposal of combustible rubbish.

The City Council will give consideration to the bids at its adjourned meeting at 8 o'clock Saturday morning, Feb. 23.

Bidders were John Avedesian, who holds the city's present contract, and Bill Kasabian of Los Angeles. Mr. Avedesian's contract expires on Feb. 28.

CITY REJECTS '5-YEAR-PLAN' FOR BICYCLES

Sierra Madre bicycle owners will have to continue having their licenses renewed each year, the City Council ruled last week.

A new "five-year plan" had been proposed by Police Chief Gordon G. McMillan.

But the councilmen decided that the 25-cent registration fee, annually, is not a hardship to anyone. In addition, they said, the once a year re-registration will aid the tracing of stolen bikes.

PUMP FREED; WELL CAN BE SAVED

Sierra Madre's No. 2 water well and pump have been saved, Water Superintendent Al Freeland announced yesterday.

The saving of nearly \$25,000 to taxpayers was assured Tuesday when the jammed pump and column were finally hoisted out of the well.

One hundred and fifty gallons of oil were poured into the well last week to lubricate the casing and free the pump. First "budge" of the pump was felt following this operation.

Workers of the Roscoe Moss Well Drilling Company came to Sierra Madre Tuesday afternoon, to determine what repairs will be necessary.

"It is now fairly well established that there has been some collapse in the casing several hundred feet below the surface," Mr. Freeland said.

A spotlight shone down the casing showed what, probably, is a boulder that has broken through a rusted section of the pipe.

After the investigation phase of the project is completed, the City Council will advertise for bids before steps are taken to repair the damage.

S.M. Nursery School Elects Edith Dane

Mrs. Edith Dane, 226 Olivera Lane, was elected president of the Sierra Madre Community Nursery School Association during the group's annual meeting Tuesday night.

Mrs. Dane, a former member of the City School Board of Trustees, succeeds Mrs. J. P. O'Neill as president.

MERCHANTS GET READY FOR GALA DOLLAR DAYS

Sierra Madre merchants this week were girding themselves, and their stores, for the city-wide Dollar Days which start next Thursday, Feb. 28.

The businessmen and women promise bargains galore during the three-day merchandising event. Harold Stein, president of the sponsoring Businessmen's Association, said several "unusual" entertainment acts are being planned for shoppers and their children. He would not commit himself as to what "unusual" meant.

Peter Ward, publisher of the NEWS and vice-president of the association, has pledged full support, and the Dollar Days edition will be distributed to homes in portions of Arcadia and Pasadena, in addition to Sierra Madre and the

Baker Attends 3-Day Confab

R. Merritt Baker, Sierra Madre's city administrator, is at the Mission Inn in Riverside today attending the annual conference of the City Managers Section of the League of California Cities.

The conference began yesterday, Feb. 20, and will continue today and tomorrow.

City Council Meets Saturday

Sierra Madre's City Council will hold an adjourned meeting Saturday morning, February 23, at 8 a.m.

ADRIAN TO HELP JUDGE WISTARIA COURT ENTRIES

Annual contest for selection of a queen and her court to reign over the Sierra Madre 1952 Spring Wistaria Festival opened this week.

Deadline for entering the contest is February 29, according to Lorne Pratt, manager of the Wistaria Vine Association.

Finalists in the contest will be announced after the famous Sierra Madre wistaria vine blossoms in mid-March.

Head judge for the competition will be Bill Adrian, top-notch modelling instructor and operator of Hollywood's "Teen Age Modelling School." This school is the only all-collegiate modelling school in the country.

Adrian, who has seen 16 of his students become either Rose Parade queens or princesses during the past six years, is also talent scout for Pageant Magazine.

Following are the contest rules announced by Pratt: A girl to be eligible must be at least 16 years old and living in the Sierra Madre area. Each entrant must submit a photograph, full name, address, age, telephone number, name of parent or guardian and the school, if any, she attends.

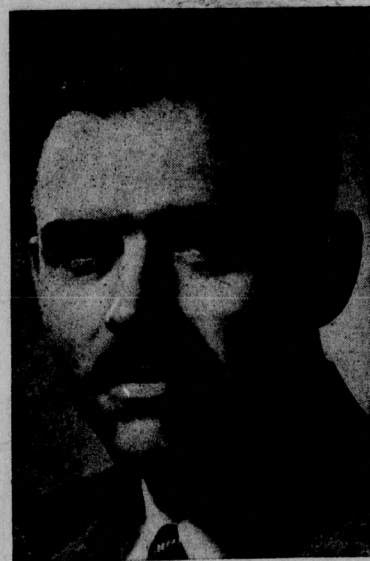

Girls need not have had modelling or professional experience to be eligible. Applications should be addressed: Wistaria Vine, Sierra Madre.

NEW MOVIES DUE OF LOCAL MORTARMEN

A new set of motion pictures taken of Sierra Madre Heavy Mortarmen will be shown at the Sierra Madre Theater Monday and Tuesday, Feb. 25, 26.

Harold Stein, theater owner, said the films were made shortly before the former National Guardsmen left Japan for combat duty in Korea.

The movies are scheduled for around 8:30 p.m. on both nights, Mr. Stein stated.

Transfer to North Slated in Summer

Mayor William A. Kinney will leave the City Council, and Sierra Madre, early this summer. He will end nearly four years on the council and two years as mayor.

Mr. Kinney is being transferred to San Leandro, Calif., by his firm, The Flintkote Company, Pioneer Division, and he will be appointed manufacturing manager of the new mill being built in the Bay Area city.

Although his transfer is not scheduled before June, Mayor Kinney immediately offered to resign from the council when he learned the promotion news.

The other councilmen voted that Mr. Kinney should stay on as long as possible.

"My remaining on the council now is purely and simply the wishes of the council," the mayor explained.

"Naturally, I'm terribly disappointed to have to move away from Sierra Madre, and I hate to leave the council," he said.

Mr. Kinney emphasized, however, that it is his "definite intention" to return to Sierra Madre when he retires from active business life, probably in 11 years.

A resident here for 21 years, Mr. Kinney was appointed to the council in October, 1948, to fill the unexpired term of Don Jackson. He was elected to the post again in April of 1950 and, a week later, was elected honorary chairman, or mayor. When he leaves this summer, nearly two years will remain of his term of office.

Active in Scouting, Mr. Kinney last year was presented a 10-year pin for leadership in

Next Thursday Is Last Day For Filing

With just a week left for candidates to file their nomination papers, Sierra Madre's municipal election today began to look like an "open and shut case."

By noon yesterday, there had been no formal filing of candidacies. The deadline is 12 noon, Thursday, Feb. 28.

So far, it appears that only the four incumbents will be running in the election.

They are City Councilmen Henry Korsmeier and Charles James, City Clerk Marie Warfel and City Treasurer Carlton J. Pegler.

Recreation Panel Features Dinner

A discussion of Sierra Madre's recreation facilities will feature this evening's annual Founders' Day dinner of the local Parent-Teacher Association.

The dinner starts at 6:30 in the City School Cafeteria. The panel is scheduled for 8 to 9 p.m., while the children see movies in the auditorium. A cartoon, comedy and feature titled "Camera Action," explaining tricks with cameras, are the film fare.

Members of the City Recreation Commission will take part in the panel, and city councilmen also have been invited to help in the discussion.

Other highlights of the evening include the awarding of an honorary life membership in the P.T.A. and the presentation of a certificate of honor to the Harry L. Embree Post, Veterans of Foreign Wars.

The certificate is in recognition of the local post's winning second place honors out of more than 500 entries in the State VFW "community service" competition.

City Water Department Opens Office

Physical and mechanical aspects of the city water department are now handled at the City Pumping Plant, 621 E. Sierra Madre boulevard, instead of at the City Hall.

Al Freeland, water superintendent, and Fred Lewis, assistant water superintendent, now do all their "desk work" at the plant office.

The office, incidentally, is being reconditioned and desks, drawing boards and other office equipment are being moved in.

Under the new set up, Marie Warfel, as chief clerk of the water department, will handle only billing, collections and meter books at the City Hall.

Telephone number of the water department's new office is CUster 5-3370.

Wood Named City Planner

David Wood, 450 E. Highland, was appointed to the Planning Commission last week. The appointment was voted at the meeting of the City Council Feb. 13.

Mr. Wood will fill the chair left vacant by the resignation of Mrs. Sallie Osgood, veteran city planner.

John M. Woods Fills City Post

The City Council last week appointed John M. Woods, 102 E. Miramonte, to the Sierra Madre Recreation Commission.

Mr. Woods fills the chair formerly occupied by Charles James. Mr. James still is on the commission, however, and now serves as the City Council's representative.

TROOP 15 Girl Scouts were given a bicycle and traffic safety talk last week by Police Chief Gordon G. McMillan. The informal talk was given at the city park shortly before the girls left on an all-day jaunt to Hikers' and Riders' Camp. Girl Scouts and leaders above are (first row, seated, left to right) Shirley Molash, Barbara Brogger, Laura Dickerman, Judy Haymaker. On bicycles: Susan Yarnell, Mary Grace McWade, Louise Annas, Lolita Smith, Diane Toms, Nancy Roess, Louise Lauder, Karen Morris, Joanne Bush, Marjorie Mack, Barbara Sanders, Marcia Northrop, Kathleen Sheehy, Diane Dammeyer, Kay Keith, Carol Draeger, Susan Maloney. Back row: Ronny Lauder, Mrs. Art Draeger, Mrs. James Lauder, Mrs. Edward Dammeyer, Mrs. William Mack. Where's the chief? He was out in front taking the picture.

World Day Of Prayer Service Due

Friday, Feb. 29, has been set for the 10th annual observance of World Day of Prayer by United Church Women of 104 countries in the world.

Last year 17,000 communities in the United States held services, and an offering totaling \$288,000 was dedicated to interdenominational work of foreign and home missions.

Martha C. Pritchard, acting chairman of the United Church Women of Sierra Madre, said all local women "who believe in the power of prayer in a world of conflict and fear" are urged to unite in a service to be held at the Congregational Church at 10:30 a.m.

The program prepared for use by all the world gatherings will be presented by representatives of the Sierra Madre Baptist, Christian Science, Congregational, Episcopal, Presbyterian and Nazarene Churches. Theme for the day throughout the world is "Christ Our Hope," Miss Pritchard said.

GAS COMPANY ASKS REHEARING

Holding that the decision of the Public Utilities, in its denial of a general gas rate increase, is "confiscatory and in violation of the California and the Federal Constitutions," Southern Counties Gas Company has applied for a rehearing of its case.

The company had asked for an increase that would yield \$3,390,000 in annual gross revenues. The commission took the case under submission on June 1, 1951, and rendered its decision on Jan. 22.

In its application for a rehearing, the company declared that the decision is "arbitrary, contrary to evidence, and unsupported by substantial evidence." The commission ruled that the company was earning a 5.8 per cent return on a depreciated original cost base, which it deemed sufficient.

Club Inducts New Officers

New officers were installed Thursday evening, Feb. 14, during ceremonies of the Monrovia Emblem Club held at the Elks' Clubhouse.

New officers include Mrs. Lucy Bennett, president; Mrs. Sadie Rockwood, past president; Mrs. Christine Smith, vice-president; Mrs. Thelma Shields, financial secretary; Mrs. Marian Raab, treasurer; Mrs. Katherine Becker, recording secretary; Mrs. Mary Elcott, corresponding secretary; Mrs. Helen Bowler, three-year trustee; Mrs. Genevieve Nisson, first assistant marshal; Mrs. Vivian Noyer, second assistant marshal; Mrs. Marian Gramm, organist; Mrs. Winifred McKay, press correspondent; Mrs. Dorothy Pounds, historian; Mrs. Katherine Lamott, first guard; Mrs. Gertrude Cox, second guard; Mrs. Genevieve Cayer, marshal; and Mrs. Beulah Hasinger, chaplain.

FORM 1040 MUST BE USED IF INCOME EXCEEDS \$5000

(Editor's Note: This is the second in a series of articles to help taxpayers in the preparation of their Federal income tax returns. Information in this and subsequent articles is provided by Robert A. Riddell, collector of internal revenue, for the Sixth District of California.)

Long Form 1040 must be used by taxpayers whose adjusted gross income is \$5,000.00 or more. It may be used by any person, regardless of the amount to be reported. In employing this method, the taxpayer may itemize his non-business deductions on page three of the Form 1040. However, if such itemized deductions are less than ten per cent of his adjusted gross income, the taxpayer may, instead of listing these deductions, use the standard deduction, which is ten per cent of the adjusted gross income; but in no case to exceed \$1,000.00. If a husband and wife file separate returns and use the standard deduction, each may use ten per cent of the adjusted gross income shown on his or her separate return as a standard deduction; but each is limited to a maximum of \$500.00, rather than \$1,000.00.

In computing the income tax due, when long Form 1040 is used, after determining on line five of page three of the return the amount of income which is subject to tax, the taxpayer applies to that sum the tax-rate schedule which is printed on the back page of the instruction booklet which is supplied with the blank returns; reduces that sum by his credits from withholding and from payments made on a Declaration of Estimated Tax, if any, and the balance is his unpaid tax liability, which should accompany the return when it is filed. If these credits indicate that the tax liability is more than paid, a credit arises in favor of the taxpayer, which he may elect to receive in cash, or apply on payment of his 1952 Declaration of Estimated Tax; or he may elect to have part refunded in cash, and the remainder applied on the Declaration.

If husbands and wives file jointly on long Form 1040, they should use the so-called "split-income" method. Having arrived at the total taxable income which is entered on line five, page three, Form 1040, they may divide this sum in half; compute the tax on that one-half by applying the tax rate schedule referred to above, and, finally, multiplying the tax so determined by two. The effect of this method is to subject the entire taxable amount to the graduated rate of surtax which is applicable to only one-half the income subject to tax. It will be found in many cases that this produces a distinct advantage.

A considerable number of people fail to affix their signatures to their returns before filing them. A joint return must be signed by both husband and wife. When the return has been completed and is properly signed, it may be filed by mailing it to the office of the Collector of Internal Revenue, 312 N. Spring Street, Los Angeles, 12; or it may be mailed or delivered in person to the local branch office of the Collector, at 115 S. Los Robles, Pasadena.

Don't try to beat the other car to the stop sign.

Hairless Lady Placated

Today Mrs. Emily Hill of Highland Avenue is all smiles . . . and she owes it all to Specialist Victor Keisel.

About 7 days ago Mrs. Hill displayed her hairless plight to the Specialist and now, after one week's treatment, she finds that she is able to sit on her hair. In fact, she can even stand on it when she wishes. And it is reported that her friends delight in sitting on it.

The hair in question, naturally, is that substance with which Specialist Keisel of The Drapery Shop at 31 North Baldwin (Sierra Madre's finest) pads all his upholstered furniture to give it that air-foam luxuriousness found only in the best upholstery. Specialist V. Keisel respectfully submits the following statement of policy: "We never advertise with 'come-on' prices because we want you to come on back." The phone please — Custer 5-1255. Temple City Camellia Show Opens Saturday

Childhood's contribution to a fantasy of flowers, the 8th annual Temple City Camellia Festival and Show, is expected to attract a record throng to Temple City next Saturday to view the Camellia spectacle of one million blossoms in the opening day parade of 116 units.

Amid the blare of 10 marching bands, colorful western movie and television star Montie Montana will ride his educated horse, Rex, at the head of the parade as its Grand Marshal.

This year's most gorgeous of all camellia extravaganzas has the alluring theme of "Hours of Enchantment."

An event limited almost exclusively to participation by children's floats, the march will begin at 10 a.m. at Rosemead boulevard and Las Tunas Drive, following a 15-block route down Las Tunas to Baldwin avenue.

Young GOP Club Elects '52 Officers

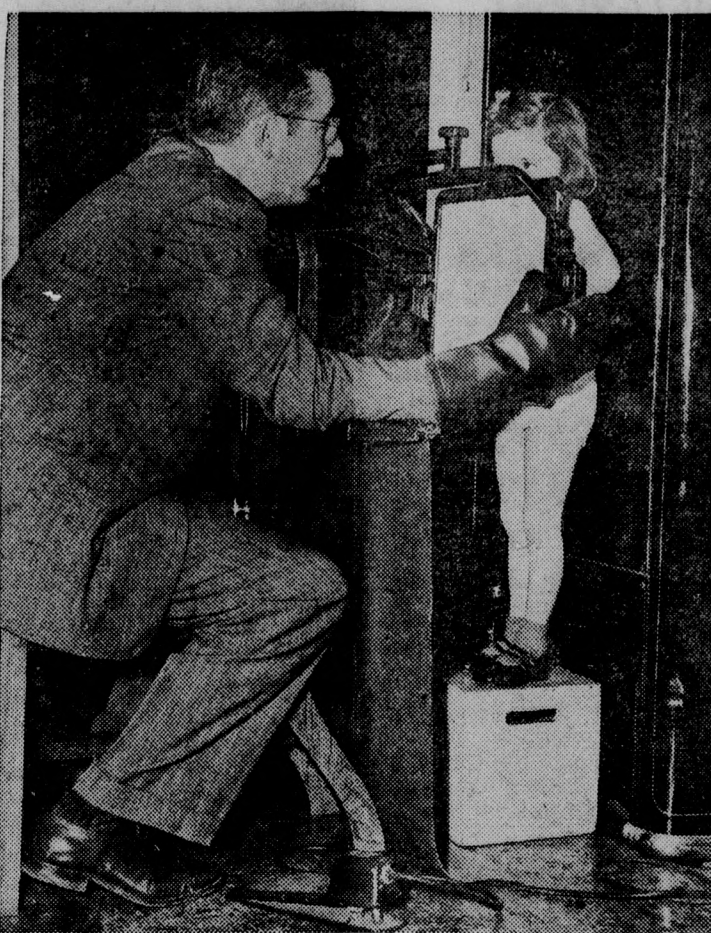

Sierra Madre Young Republicans met last week at the home of Hugh F. Colvin, 585 W. Sierra Madre boulevard, to elect officers.

Elected president of the club was Hank Snow. Other new officers include Charles Parker, vice-president; Hugh F. Colvin, program chairman; Elsa Seifert, secretary; James B. Lester, treasurer; and Celeste Bains, publicity chairman.

Delegates to the Los Angeles County Executive Committee are Nathaniel Van De Verg and Francis Bradley. Robert Fletcher is the club's delegate on the Legislative Committee.

Scope and policies of the Young Republicans of the county were explained to new members of the Sierra Madre club, of which there are 15.

Bruce Reagan, former 48th District Assemblyman, attended a portion of the meeting.

WHO'S STUDYING WHOM might be a fair question by the casual observer in the cardiac clinic where children are examined by fluoroscope for rheumatic heart damage, congenital defects or other cardiovascular disorders. PUPILS GIVE AUTO HARP TO SCHOOL

An auto harp was presented the music department of City School during the assembly last Wednesday, Feb. 13.

The instrument was the gift of the sixth grade classes of June, 1951, and the present student body.

Members of the 1952 sixth grades took part in the assembly, with Student Body President Sam McDonald in charge.

Musical solos were presented by John Butah, Sonja Lindquist, Philip Jacobs, Linda Nehls, Bobbie Rhodes, Georgina Martinez and Denny Smith. A chorus sung by the entire sixth grade closed the program.

An out-of-control incinerator blaze at the Capt. E. G. Everett home, 289 W. Highland, brought volunteer firemen to the scene in a hurry during the noon hour last Thursday.

The blaze was reported first as a house fire, according to Chief James C. Heasley.

Any day or any night is perfect drying weather

...when you have an automatic
GAS CLOTHES DRYER

Ever have the weather double-cross you
...making you rush to take down laundry
...or keeping you from washing as
planned?

To be free of the weather and of
dudgerly, too, install an automatic gas
clothes dryer. Then you can dry clothes
fluffy-soft day or night, rain or shine, in
a matter of minutes. For gas dries clothes
faster than Southern California sunshine
... faster than any other fuel.

You simply set the control for bone-dry
or ironing-damp, which eliminates
sprinkling. Your clothes come out spot-
less, lint-free and sweet-smelling. Towels
are ready for linen closet.

The operating cost? With gas, it's
only 2¢ to 3¢ per dryer-full. The in-
stalled price of an automatic gas clothes
dryer is also lower than that of other
automatic dryers. See a demonstration

PRIESTS CELEBRATE SILVER JUBILEE OF ORDINATION

Father Martin Matthews, C.P., and Father Phillip Gibbons, C.P., are celebrating the silver jubilee of their ordination today at the Mater Dolorosa Monastery.

Fr. Matthews, born in St. Louis, Mo., in 1902, and Fr. Gibbons, born in Peoria, Ill., in 1889, started studies together in the preparatory seminary 35 years ago. Both spent the first years of their priesthood in teaching, Fr. Matthews at St. Paul, Kansas, and Fr. Gibbons in St. Louis. For six years Fr. Gibbons was rector of the preparatory seminary in St. Louis.

Both have conducted preaching missions, retreats and novenas for the past 13 years throughout the West, Midwest and Canada. In 1946 Fr. Matthews was retreat master at Mater Dolorosa Retreat House, and Fr. Gibbons retreat master during 1949-50.

A solemn Mass of Thanksgiving was held in the monastery chapel this morning, 10 o'clock, in observance of the double jubilee, with Very Rev. Herman Joseph Stier, C.P., rector, the celebrant, Father Leo Scheibel, C.P., former pastor of St. Rita's, returned from Sacramento to preach the sermon.

SCOUTS MAKE RESERVATION FOR CAMPING

Sierra Madre Boy Scout officials this week made sure of at least one event on their 1953 calendar.

They made a reservation for a snow camp at Camp San Antonio in January—11 months ahead of time.

The camp will be able to admit only 85 campers next time, reported Hans Gutierrez, district camping chairman.

Because of this limitation, however, the Sierra Madre District is planning a "supplementary" day snow trip. Individual Scouts who want to go to Camp San Antonio will have to make their reservations early, Mr. Gutierrez warned.

CONSENSOS MEET TUESDAY NIGHT

Consensos will meet next Tuesday evening, 8 o'clock, at the home of Mrs. Harold Roberts, 306 E. Alegria. The Rev. Carl Smith will be the speaker. Work by Han-we-Ma Campfire Girls and the Happy Bluebirds, recently completed under the direction of their leaders, Mrs. Marguerite Bowman and Mrs. Ruth Simpson, will be on display.

Co-hostesses for the evening will be Mrs. Mary Barnes and Mrs. Marjorie Golden.

O.E.S. CHAPTER HOSTS GUESTS

The Exemplification of the First Ritual in California was held at the Eastern Star meeting last Monday night, Feb. 18, 8 o'clock, at the Masonic Temple, 31 E. Sierra Madre boulevard. Attendance was approximately 90, with many visitors coming from chapters of different districts of the Eastern Star. A reception was held afterwards. Cake and coffee were served.

RED CROSS

vision gives us an ever-present reminder that we, too, are involved in this conflict—we feel that Sierra Madre as a community will welcome the neighbor who comes to call on behalf of this humanitarian cause.

The chairman pointed out that nearly half the money collected will be earmarked for Armed Forces use, with the rest going to local uses, in cases of disasters like the recent floods, for example, and other community needs and services.

LETTER TO THE EDITOR

As local chairman for the MARCH OF DIMES campaign I want to thank you and your staff for the wonderful cooperation and full coverage you gave the recent campaign. I personally feel that your fine publicity gave the greatest assistance in almost doubling the money taken in over the previous year.

LIKE A PAGE out of "Arabian Nights" is this photograph of Mrs. Richard O. Richards, a Sierra Madrean, and three Arab tribesmen. Mrs. Richards, 56 Suffolk, is in Dahran, Saudi-Arabia, with her husband, an oil executive there. In a letter to Sid Westfall of the Sierra Madre Hardware, Mrs. Richards explained that in the picture she is holding a hooded falcon belonging to the Arabian foreign minister. The Arabs are his personal body guard. She pointed out that it is unusual for them to pose with women. Mrs. Richards was in Sierra Madre for a short visit last summer.

"There's no school tomorrow," Mrs. Coutant said, "so give the whole family an evening's free entertainment."

financial reason for the students getting both Monday and Tuesday off last week (Tuesday was Lincoln's birthday).

Superintendent Charles Skutt reports that the State Education Code provides that school must be maintained at least 170 days per year. The local school calendar this year calls for 171 teaching days. State funds are paid on the basis of children in Average Daily Attendance (ADA).

Mr. Skutt said experience has shown that "broken" school weeks have a tendency to lower this ADA, since some families are able to take trips over these holidays.

It, therefore, is to the school's financial advantage to have these 170 days of school in as "unbroken" a line as possible.

This makes sense to us and calls for a variation on the old saw: ask a sensible question and maybe you'll really get a sensible answer.

CALIFORNIA'S NATIONAL ORANGE SHOW Queen, Miss Paula Fagette of San Bernardino extends an Orange Show invitation to Stanley Wilson, publisher of the Mill Valley Record and newly elected president of the California Newspaper Publishers Assn., to attend the annual Orange Show press day at San Bernardino, Saturday, March 8. CNPA Press Day is just one of the many features presented during the annual event scheduled March 6 to 15 inclusive. FLOWER SHOW TO FOLLOW ORIENT THEME

"Gardens of the Orient" will

be the theme of the 1952 eight-

day Southern California Spring

Flower and Garden Show, to

be staged in the Fannie E.

Morrison Horticultural Center

in Pasadena's Brookside Park.

Show dates are March 2

through March 9. Howard Gil-

key, show manager, said dead-

line for entries in the show is

Feb. 26, at which time they

must be in the office of the

Pasadena Flower Show Association.

President G. Wyman Hope

said exhibits will be fused into

an ensemble effect, and Japan-

ese and Chinese gardens will

provide a source of ideas for

Southland garden owners.

Girl Scout Notes

The Brownies' Valentine party

was a huge success. All the

Bluebird groups were invited

with their leaders. Altogether

175 girls between the ages of 7

and 10 had an afternoon of

fun, songs and games. Mrs.

John Hildner was in charge.

Troop 15 had a long-to-be

remembered day on Lincoln's

birthday. Twenty-one scouts

mounted their bicycles for an

outing at Riders and Hikers

camp. Chief Gordon G. McMill-

an went along in the police

car to help with the traffic

and gave a talk on bicycle

safety.

A lunch of Chinese Mystery,

Mickey Mouse salad and cin-

namon apples was prepared

and consumed quickly. A rest

period followed during which

Mrs. Maloney and Mrs. Grace

Smith helped the girls in knot

tying.

Splitting into smaller groups,

the scouts and their seven

leaders took nature hikes up

Pasadena Glen. The day ended

with a fine, mostly downhill

ride to their homes.

Remember to keep Wednes-

day afternoon, March 12, for

the Juliet Low tea and doll ex-

hibit at Pritchard Hall.

Avocado Society

Seeks 'Best' Nut

California Avocado Society is

sponsoring a contest to deter-

mine the best Macadamia Nut

grown in California. The Mac-

adamia, or Queensland Nut, is

native of Australia, but grown

commercially in Hawaii.

Since there are only several

hundred of these trees in

Southern California, most of

them ornamentals, the society

is trying to stimulate interest

of growers in the nut and of-

fers prizes totalling \$50 for the

five "finest nut samples" sub-

mitted.

Requests for application

blanks may be mailed to El-

wood Trask, president, 4833

Everett avenue, Los Angeles.

Judging is set for July 7.

FIRE FLAMES

It is sincerely hoped that the inexperienced attempt at rhythmic verse of last week's column will not discourage readers.

At this writing, the writer is only endeavoring ways and means to avoid meeting those whose names were somewhat similar to those used in the "duel." You can't blame a fellow for trying, can ya?

"No man is ever better than he wants to be." "Some men grow; others merely swell."

WATCH THAT CIGARETTE!

There are so many fires that start, because the careless tossing of a burning cigarette. The cigarette has become such a common sight that we MUST take it into consideration. The habit of smoking begins at an early age and now includes both sexes.

It is not within the province of the fire department to try to stop people from smoking (although it is sad to see so many who do), but it is our duty to remind them that many, many fires are caused by the cigarette. Let's be very careful and thoughtful when discarding a smoke.

We have had another fire where one of our cool and calm ladies controlled the situation. Mrs. Milton Goldberg of Ramona discovered that her oven was smoking and—something that should not be—burning. Having a fire extinguisher handy, she told the neighbor to call the fire department, while she went to work. On arrival of the fire chief (ahem . . . just two minutes after the call), Mrs. Goldberg had the fire under control.

By removing the smoking tray, the fire chief declared the fire "all out."

It is wise to have a good fire extinguisher in the house, provided it is kept in working order. Much can be done with that first appearance of fire. Sometimes it is not as bad as first sight would have it appear. One of the principals of fire fighting is cooling and in an emergency, water is hard to beat as a cooling unit. That dependable garden hose is a mighty fine thing to have around.

In spite of all this, don't fail to have a call in to the fire department as soon as possible. The fire department has equipment to take care of the big ones, so if it really reaches such a stage, you have done your part. We appreciate the opportunity of returning without having had to fight a big fire.

TOM HENDERSONS EMBARK ON 21ST JOURNEY EAST

Mr. and Mrs. Tom Henderson left Sierra Madre last Thursday on the first leg of their 21st trip East.

Traveling with car and trailer, the Hendersons plan to spend about a month in Mexico, then journey east to the Atlantic Coast, arriving in New York probably in May.

After a visit there, they will drive north to Quebec and New Brunswick. Mr. and Mrs. Henderson hope to return via the northern route, through Canada, and arrive in Sierra Madre around July 1.

"Of course our cat and dog are going, too," they said. "This will be their fourth trip."

"Please tell our friends that mail always is forwarded to us, along with our Sierra Madre paper," Mrs. Henderson said.

Cops Told: 'I Lost Control'

"I lost control."

Dozens of times a year when Highway Patrolmen are investigating accidents they hear these words. And in many other cases, if the driver or any of his passengers were alive, the same story would be told.

But Patrol Commissioner Clifford E. Peterson today declared that no one ever "loses" control of an automobile. "They deliberately give it away," he said.

Mr. Peterson pointed out that when a driver loses control of his car, it's usually because he is violating a law or committing an unsafe act.

Motorists are likely to lose control when they drive too fast for road and weather conditions, when they overdrive their headlights at night, when they follow other vehicles too closely or when they whip around a deceptively sharp curve.

A speeding car will skid on wet or icy pavement, hit a rut or chuckhole or slide off a curve and if the driver is lucky, chances are he'll say, "I lost control." "What he means is that he lost control over himself," said Peterson.

BRADLEY WILL TALK AT J.C.C. DINNER

Gen. Omar N. Bradley, chairman of the Joint Chiefs of Staff, will deliver a major policy address in Pasadena during a five-day visit to the Los Angeles area in March.

General Bradley will speak at the 22nd annual \$10-a-plate charity banquet to be given March 20 at the Huntington Hotel by the Pasadena Junior Chamber of Commerce.

In this, the only speech he will give while in Southern California, the veteran soldier will discuss national defense, the Korean War, and other problems facing administration policymakers.

Warren M. Dorn, Pasadena city director, is chairman of the banquet. General Bradley earned the reputation during World War II of being "the GI's general."

Can a man tell the absolute truth for a 24-hour period? Can he pass up the small "white lies," the slight variations on the positive for that long a period?

SHROVE TUESDAY PANCAKES REVIVE ENGLISH CUSTOM

An old English custom will be observed on Shrove Tuesday, Feb. 26, when the John Ruskin Chapter of Daughters of the British Empire presents its annual Pancake Breakfast and Lunch at the Woman's Clubhouse, 270 W. Sierra Madre boulevard.

The benefit event for the British Home is scheduled from 9 a.m. to 2 p.m. Serving pancakes on Shrove Tuesday dates back to the 11th and 12th centuries, Shrove Tuesday being a feast day to usher in the Lenten season which begins the following day, Ash Wednesday.

The Sierra Madre pancake breakfast was started several years ago by Mrs. A. E. Pulling. Held at first at Mrs. Pulling's home, the breakfast soon became too big and in 1949 was moved to the Woman's Clubhouse. But it still is known here as "Mrs. Pulling's pancake breakfast."

Mrs. Alice Sedgman, reservations chairman, tells of an old custom that still is observed on Shrove Tuesday at the Westminster School in London. The upper and lower school is divided by a beam and, on that

SORORITY CLUB PLANS BENEFIT

San Gabriel Valley Club of Alpha Gamma Delta will meet this evening, February 21, to make final arrangements for its theater benefit party the following evening.

Mrs. Ray Anderson, publicity director for the club, said all proceeds will assist Alpha Gamma Delta's international project which offers training fellowships to job-placement counselors for aid to the cerebral palsied.

The theater party will be at the Glendale Centre Theater. Hostess for the planning meeting Thursday is Mrs. Henry Curtis of Altadena.

SERVICES HELD IN IOWA FOR ANDREW HICKS

Funeral services were held in Manson, Iowa, Saturday for Andrew J. Hicks, who died suddenly Feb. 12 at the home of his daughters, 8907 Sixth avenue, Inglewood.

Mr. Hicks, a resident of Sierra Madre 19 years, had been living in Inglewood since the death of his wife, Cora Mae Hicks, in 1949.

A native of Jones County, Iowa, he was a Mason, a Shriner, and a member of the Methodist Church there. His Sierra Madre address for many years was 448 E. Highland.

The daughters in Inglewood with whom he made his home are Eleanor Hicks and Mrs. Isabel Eckerman. Other survivors include another daughter, Mrs. Dorothy Sloan of Rockwell City, Iowa; a son, Earl E. Hicks, of Salt Lake City; two sisters, Mrs. Effie Reed of Los Angeles and Mrs. Lula Miller of Des Moines; a brother, Floyd Hicks of Manson; nine grandchildren and six great-grandchildren.

Grant Chapel was in charge of arrangements.

FOOD SALE SUNDAY

On Sunday, Feb. 24, after each Mass, a pre-Lenten food sale sponsored by the Altar Society and Mothers' Club of St. Rita's will be held in the school hall.

CARS COLLIDE AT CORNER

A collision of two late model cars at the intersection of Lima and Sierra Madre boulevard yesterday morning resulted in a "slight head injury" to one of the passengers.

Treated at a local doctor's office was Mrs. William Baron, 326 E. Laurel, wife of the driver of one of the cars involved.

Mrs. Lucille Eaton, wife of City Councilman Noren Eaton, 145 E. Alegria, told police that she made the stop at the boulevard and was driving through the intersection when struck by Mr. Baron's car which, she said, did not make the boulevard stop.

Police said a witness, Kenneth A. Wheeler of Pasadena, confirmed this by saying the Mr. Baron's car, driving west, went through the intersection "at approximately 25 miles per hour."

Officer R. E. Travis quoted Mr. Baron as stating, however, that he made a proper stop and did not see Mrs. Eaton's car until the moment of impact.

Baptists to Hear Pastor Candidate

The Rev. Roy R. Gibbs, recently arrived from New England, was announced this week as a candidate for the full-time pastorate at Sierra Madre's First Baptist Church, 49 S. Baldwin avenue.

The Rev. Mr. Gibbs, a gospel preacher and baritone singer, will deliver the sermons and sing at both services of the church Sunday, Feb. 24.

W. F. MacNeill, publicity chairman of the church, said the Rev. A. J. Jacobson resigned this month so that the Sierra Madre Baptists might secure a full-time resident minister.

The Rev. Mr. Jacobson has served as part-time pastor here for three years.

MORE ACTS OF VANDALISM REPORTED HERE

Vandalism reared its ugly head again this week in several apparently isolated acts.

Larry Garland, of Garland 5 and 10, reports that juveniles "chinned" themselves on his awning bars, and one of the store awnings was rendered a total loss. He said \$50 would be a "very conservative" estimate of the damage.

Police said a car was observed "deliberately knocking down" street markers during the painting of white center lines last week. One of the bouncing markers shattered the headlight of another car following behind.

Another act of hoodlumism was reported at 395 N. Auburn where Mrs. Allen Hicks said youngsters cut her garden hose in two places.

Obstructions May Be Cause of Constipation.

Constipation is such a common malady its serious or even dangerous causes may too often be fatally underestimated. This is particularly true where some form of obstruction is unknowingly present. Obstructions may occur anywhere from the oesophagus (in the neck) to the rectum and are always beyond the direct control of the voluntary nervous system.

Common Obstructions

These may be strictures of the oesophagus and rectum; strangulation of intestines or colon due to kinks and tortuous convolutions; adhesions causing pressure and blocking of some portion of the canal; obstructive tumors preventing passage of material through the portion affected; diverticulosis or pouches in the walls of the colon holding decomposed and toxic materials; intussusceptions or portions of the canal drawn into itself or into other portions and blockage by large masses of dehydrated stool in the lower bowel.

In many cases these serious conditions may seem to be only simple constipation. Due however to the many possibilities of dangerous complications it is not wise to use laxatives except on the advice of your doctor.

Colon irrigations (colonics) are the safest method of emptying the bowels and will determine if cathartics are advisable.

Scrap Drive's Use of City Trucks OK'd

Use of city trucks in Sierra Madre's Scrap Metal Drive was authorized by the City Council last week. And with this hurdle cleared, the Kiwanis Club was all set to go ahead as sponsors of the campaign.

City-owned trucks will be used in the pick-up of scrap that is too bulky for householders to bring downtown to the pile on the lot east of the Woman's Clubhouse, 270 W. Sierra Madre boulevard.

The councilmen stipulated that city employees must drive the trucks on their own time.

Al Freeland, water superintendent and "spark plug" for the Scrap Metal Drive, said "a number of Sierra Madreans" have offered scrap metal and are waiting for someone to come and collect it.

"Please say that we haven't forgotten about them," Mr. Freeland said. "We'll try to contact everyone before making our pick-up calls."

TOP CAGERS PLAY TONIGHT

Basketball fans of the San Gabriel Valley will be able to see top-flight action this evening, Feb. 21, when two of the best-known AAU teams in Southern California play in the Pasadena City College gymnasium.

The contest will match Fibber McGee and Molly's team against Kirby Shoes. The radio comedians' five is a top contender in the National Industrial League. Kirby's leads the pack in the Southern California AAU League. The program gets underway at 7 p.m.

City Seal Coats Strip Of Baldwin

Seal-coating was completed Friday afternoon on a strip of Baldwin avenue north of Grandview.

The operation, performed by men of the city street department, extended from Grandview to the north side of Alegria—a distance of one block.

Seal-coating of several Sierra Madre streets, long overdue, was "expedited" at last week's meeting of the City Council. The work had been authorized five months ago.

Councilman Henry Korsmeier pointed out that unless the work is started right away, "we won't have any streets left to seal-coat."

City employees worked Sunday to finish the painting of white center lines on principal Sierra Madre streets. R. Merritt Baker, city administrator, said the job was completed by 1 p.m. Sunday.

SCHOOLS CLOSE DOWN FRIDAY

All three Sierra Madre schools — public and parochial — will close their doors tomorrow, Feb. 22, in observance of George Washington's birthday.

The announcement was made jointly by officials at St. Rita's, Ascension Parish Day and City School.

Don't smoke in forest areas.
